

# FILMS UNITED NATIONS NATIONS UNIES

## PALESTINIAN PORTRAITS

16mm colour, 22 mins. 3 secs.

The Palestinians - too often typecast as refugees in crowded camps, or guerillas. But there is a broader picture.

This film focuses on a number of professionals who, although they have lost their possessions and live outside their homeland, have nevertheless made their way successfully in other countries, and still regard themselves as Palestinians.

A film by	SIMONE DE BAGNO
Editor/Associate Producer	MARK ROBBINS
Camera	IVAN STOYNOV
Sound	PATRICK GREENWOOD
Executive Producer	ELSPETH MacDOUGALL

A United Nations Production

Date of Distribution: November 1987
