NEW HORIZONS FOR HUMAN RIGHTS

Video, Colour, 26 mins. 33 secs.

At the close of this turbulent century the world faces unprecedented political, social, economic and environmental crises. The 27-minute documentary, *New Horizons for Human Rights*, focuses on human rights issues that arise in the context of environmental disaster, the AIDS pandemic, indigenous populations and social upheaval. The documentary was shot on location in Australia, Cameroon, Colombia, Ukraine, and the UN Headquarters in Geneva.
